

Directions to Saint John's Abbey Cemetery

- From Interstate 94 East or West — Take exit 156, turn towards the Saint John's University campus.
- Follow Co Rd 159 to the four way stop at the entrance to campus.
- Turn right—which continues to be County Road 159.
- Follow this road as it curves around the back of campus and around the sharp 90 degree turn towards the right (by the lake.)
- Just a few hundred yards down this road are three entrances to the cemetery (all on the right hand side). Use either the first entrance and drive to the top of the hill; or if that fills up, take the third entrance and park in the new turnaround—walking up the stairs to the columbarium.
